Principal's Message

Assalaamu Alaikum WRWB,

The opportunity to gain a lot from a charter school conversion has come up for grabs for Al-Madinah School. It will help us continue to push AMS towards a better academic achievement and will provide financial backup, which may mean no increases in our current level of Attendance Dues or maybe even make the Attendance Dues to go down to zero.

If AMS doesn't get accepted into the charter school system and due to the purchase of the Blockhouse Bay school and the mere fact that it will be part of AMS, the Attendance Dues may rise to \$1500 to \$2000.

Therefore, we are encouraging parents to support the school and the new proprietor towards the conversion of AMS into a charter school. **Please scan the QR Code below and fill in the survey or go to the AMS website and click on the link to the survey.**

Secondary Girls Bake Sale

The secondary girls successfully held a bake sale on 20th May in support of the SPCA as part of the student volunteer week programme. Alhamdulillah, we managed to raise a total of \$377.50, with all proceeds going directly to the SPCA to aid in the care and protection of animals. The event was well-received by students and staff, who enjoyed a wonderful selection of homemade treats. A sincere thank you to everyone who contributed to this meaningful cause.
