Term 3 2025

WELCOME BACK!

Welcome back to term 3. This will be a busy term for the senior students as they will be preparing for the practice external exams. In addition, several internal assessments are scheduled for the seniors. We appreciate your ongoing support in helping ensure your child attends school regularly and arrives on time.

Acknowledgement

The Maths Department extends its sincere appreciation to Ustadah Nazmeen Zaim for her valuable support in preparing students for the South Auckland Maths Challenge. She has worked closely with our Year 9 and Year 10 students, helping them build the confidence to compete alongside peers from other schools.

Congratulations to our Year 10G students for securing first place in their last two challenges!

Coverage

The year 9 students will complete the topic Number and start learning Measurement.

Year 10 students will complete the topic Measurement and start learning Algebra.

Year 11 students will focus on their Maths learning in the first two weeks of this term.

Year 12 students will learn the Calculus concepts after completing their Trigonometry assessment.

Year 13 students will work on their external standard after completing their internal assessment on Linear programming

Assessments

The internal assessments will be:

Year 11 Week 3 AS91945

Year 12 Week 2 Trigonometry

Year 13 Week 2 Linear Programming.

Numeracy CAA for the year 10 students and those in year 11-13 who have not achieved will be on 3/9/2025.

The year 11-13 NCEA students will be doing their practice exams in week 9. Maths for Year 11,12,13 will be on 8/9/2025 from 9am - 12 noon.

The department teachers look forward to meeting all the parents during the parent teacher meeting this term to discuss how we can work together to support the students achieve their best.

Shabina Nabijan

Head of Department - Mathematics
