A HIGHLIGHT FROM OUR  
ART EXHIBITION

Year 7  
Room BU35

## Principal's Message

Assalaamu Alaikum WRWB,

With the increasing demand of enrolment the schools proprietor is trying its best to purchase the school property in Heaphy street, Blockhouse Bay by or before the 30<sup>th</sup> of September 2025.

If this property is bought then in future subject to approval from Ministry of Education more students can be enrolled. More importantly, students coming from West Auckland may be able to transfer to this new school and hence avoid over an hours travel to South Auckland. This will then also give room for many children who are on the waiting list in South Auckland.

Therefore, it is a humble request to the parents and caregivers and the wider community to help IED Trust with donations and interest free loans to secure the Blockhouse Bay property.
