SECOND ASHRA Days of forgiveness

أَسْتَغْفِرُ اللَّهَ رَبِّي مِنْ كُلِّ ذَنْبٍ وَأَتُوبُ إِلَيْهِ

Astagfirullah rab-bi min kulli zambiyon wa-atoobulaiyh

"I seek forgiveness from Allah, my Lord, from every sin and I repent to Him."

السَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ

Principal's Message

Alhamdulillah we are very proud and honoured that our school roll is at its maximum roll allowed by the Ministry of Education and we have well over 1500 students on our waiting list. No doubt with the purchase of the new school in Blockhouse Bay, and hopefully with the approval by the Ministry of Education for this school to be a second campus of Al-Madinah School, we will see a lot of students on the waiting list be catered for.

One of the main reasons state integrated schools exist is to provide the special character education to it's students as the proprietor of the school sees fit. At Al-Madinah School, the main focus of the special character education is the teaching and learning of the Qur'aan. However, what we have observed is that we could have done much better against our current achievement. Therefore, we are focusing this year and trying to improve our performance to be in line with the demands and expectations of the parent community.

In doing so, we have stopped the Hifz and the Darul Uloom programs and are now focusing on the reading of the Qur'aan with proper pronunciation of the Huruf (letters), teaching of the Tajweed rules and improving fluency in reading of the Qur'aan. This will enable the students to perform much better in the Hifz and Darul Uloom programs. We request our parents, staff and students to have patience as we plan to start the above programs after the month of Ramadhan.

All parents are urged to support their children at home and ensure that they are punctual to school. This is also one of the major requirements of the Ministry of Education which inevitably will enhance the overall teaching and learning.
