Principal's Message

Assalaamu Alaikum WRWB,

Alhamdulillah, we have officially reached the end of Term 2! An 11-week term in the depths of winter is a true test of endurance, and I am immensely proud of the resilience, growth, and commitment shown by our entire school community.

This term has been an incredibly busy and productive stretch behind the scenes. Our teaching staff have worked tirelessly to deepen their understanding of the refreshed English and Mathematics curriculums. They have also been navigating our student management system, Helix, to prepare mid-year progress reports using brand-new templates. I would like to extend a heartfelt thank you to our Primary school leadership team and our NCEA staff for their exceptional professionalism and guidance through these significant system changes.

Most importantly, we celebrate our senior students. This term, ten of our Year 13 students received Fast Track tertiary offers for 2027 from prestigious institutions including the University of Auckland, AUT, the University of Otago, Massey University, and the University of Waikato. Credit goes to all their teachers from Year 1 through 13 for guiding them toward this outstanding achievement.

In Islam, time is an Amanah (trust) from Allah. As we transition into a well-deserved winter break, let us reflect on the growth of our children and prepare them to return refreshed and ready to value their learning journey.

Jazakumullahu Khairan for your unwavering support.
