Chenille Bouquets – Happiness That Lasts!

Looking for a thoughtful gift that won't wilt, fade, or require any maintenance?

Our Year 13 students are participating in the **Young Enterprise Scheme (YES) Challenge** and are excited to introduce **Chenille Bouquets** - a unique, affordable way to show your appreciation for friends, family, and teachers.

Why Choose a Chenille Bouquet?

Handcrafted from vibrant chenille stems, these bouquets are available in beautiful **purple & white** or **blue & white** colour combinations. Unlike fresh flowers, they are:

- **Everlasting:** A keepsake reminder of your appreciation that never wilts or dies.
- **Allergy-Friendly:** Perfect for anyone sensitive to pollen, with absolutely no unpleasant smells.
- **Zero Maintenance:** No water, trimming, or fuss required!

For just **\$25**, you can give someone special a sentimental gift that truly lasts forever.
