Senior Girls Camp: Lost in the Motu Moana jungle.

السلام عليكم وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ

Deputy Principal's Message

Assalaamu Alaikum WRWB,

Alhamdulillah, we are in the blessed month of Dhul Hijjah, a sacred and special time for Muslims around the world. May Allah (SWT) allow us all to make the most of this beautiful season of worship and draw closer to Him. **Eid-ul-Adha** will be on **Thursday 28th May, 2026**. Al-Madinah School will be **CLOSED** on Thursday for the Eid celebration, Insha'Allah.

Student Teachers

Over the past four weeks, we hosted three student teachers from AUT: Micayla, Cayleigh, and Gloria. It was wonderful to see them thrive in our school. They left with huge smiles, eager to go out there and share how wonderful it was to be part of an Islamic school. Huge thanks to the associate teachers for their mahi with these student teachers: Ust Rehana S Khan, Ust Natasha, and Ust Zahida.

Canteen

Currently, the canteen is a busy place following the recent menu changes suggested by the Student Council. While it is still early days, we welcome your feedback, so please feel free to reach out to us.

Helix Conference

On Thursday and Friday, I was in Queenstown attending the Helix Conference. Helix is our School Management System (SMS), and it serves many purposes for both school staff and parents/caregivers. Helix has numerous features—some we currently use and others we have yet to utilise. From a parent's perspective, it is a useful tool to communicate with our school, monitor your child's attendance, read reports, view upcoming events via the calendar, and much more. Parents/Caregivers: If you haven't already, please download the Helix App.

Sports

Jazakallah to Ust Intaz for introducing badminton to our students. A group of 10 students is now competing against other schools on a weekly basis. Other sports that our students are currently participating in include Intermediate Boys and Girls football, Junior and Senior Boys football, and Secondary Senior Girls netball.

Eid Mubarak.
