

## Indonesian Student Immersion Visit

On 11-12 May, Al-Madinah School had the pleasure of welcoming 19 students and staff from Global Islamic School, Indonesia, for a two-day school immersion programme.

During their visit, the students experienced daily school life at Al-Madinah by attending classes, spending time with their student buddies, and participating in school activities. The visit provided a valuable opportunity for cultural exchange, friendship, and learning within an Islamic educational environment.

A special highlight of the visit was a cultural performance presented by the Indonesian students during assembly, which was greatly enjoyed by our school community. The students spoke very positively about their experience at Al-Madinah School and expressed how much they enjoyed the warm hospitality and welcoming environment.

We were delighted to host our guests, provide lunch during their stay, and present participation certificates and small tokens of appreciation at the conclusion of the programme.

A sincere thank you to our student buddies and staff who helped make this visit a meaningful and memorable experience for everyone involved.
