السَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ

Principal's Message

Assalaamu Alaikum WRWB,

Students achieve their best when they attend school regularly and arrive on time, every time. Our school records consistently show a strong link between good attendance and academic success, Alhamdulillah.

We encourage all parents and caregivers to establish routines at home that support punctual attendance. Simple practices such as ensuring children go to bed on time can help them wake up refreshed and ready for school each morning, Insha'Allah, so they are able to arrive at school on time, every time.

We would also like to remind families that some students stay up late playing games or using electronic devices. This can lead to tiredness, difficulty concentrating in class, and challenges with getting ready for school on time. While unexpected situations may occasionally cause delays, most students can arrive punctually on time, every time with good planning and consistent routines at home.

In Islam, time is precious and is considered an Amanah (trust) from Allah. Teaching our children to value time, be punctual, and fulfil their responsibilities helps build good character, discipline, and respect for learning.

Developing good habits, responsibility, and discipline from a young age is an important part of our children's growth and success, both academically and personally. Jazakumullahu Khairan for your continued support in helping our students develop positive habits that contribute to their success and wellbeing.

Asin Ali
